In continuation of the Circulars under reference and consequent to the clarifications requested by the field officers, the following directions are issued in providing electric connection and assigning tariff to the cellular mobile towers.

1. 1. The present practice of giving temporary connection may be continued after getting an undertaking as per item (5) below till the Kerala State Electricity Regulatory Commission takes a decision on the issue

2. 2. If the consumer fails to produce necessary clearances from the authorities concerned within six months from the date of connection, such consumers may be charged at LT-III tariff right from the date of connection.

3. 3. The connection given to tower sites of BSNL prior to 01.10.2000 may be exempted from furnishing clearances from local bodies.

4. 4. The clearance from Electrical Inspectorate may be insisted wherever necessary.

5. 5. Service connections can be provided to new mobile towers of BSNL after production of specified clearances from local bodies or on production of an undertaking confirming that they shall produce the required clearance within six months from the date of connection. However they shall produce clearance, if any, required from the Electrical Inspectorate.

6. 6. The tariff shall be applied at the rate specified for LT.III for all new and temporary connections till all the clearances are produced by the consumer.
