2. GO.(Ms) No.22/2016/PD dtd, Tvp, 06/10/2016

ORDER

Government of Kerala, vide Ref 1st cited had issued policy directions to the KSERC under Sec 108 of the Electricity Act, 2003 to amend Kerala Electricity Supply Code Regulations, 2014 to permit grant of electricity connections to residential structures of plinth area of 100 sq.m and less without proof of ownership / legal occupancy from the Local Body, subject to certain conditions. The State and KSEB Ltd is aiming to electrify all the households in the State by March 2017. In this context, since the process of amending the Regulations is likely to take time, and since Total Electrification project has to be completed by March 2017, the Government vide order read as 2nd paper above has directed KSEB Ltd to grant electricity connection to residential structures of plinth area of 100m² and less without proof of ownership / legal occupancy from the local body subject to the proviso that electricity connection shall not be considered as proof of legality of the structure or the ownership or possession.

Having considered the above, sanction is hereby accorded to grant electric connections to residential structures of plinth area not more than 100 sq.m without insisting proof of ownership / legal occupancy on the basis of an undertaking from the applicant in plain paper that:

1. The total plinth area of the building is not more than 100 sq.m
2. The building is / will be used exclusively for domestic purpose
3. The grant of electric connection will not be considered as proof of legality of the structure or ownership or possession.
4. The connection is liable to be disconnected either temporarily or permanently, if any statutory authority requests the officer of the Licensee to do so.

Orders are issued accordingly.
