RCC/DIR/G65/2020

The Chairman & Managing Director
Kerala State Electricity Board Ltd.
Vydyuthi Bhavanam
Pattom
Thiruvananthapuram

Sir,

Sub: RCC-Estt- Deputation to the post of Executive Engineer-Reg.

As your good self is aware, the Regional Cancer Centre, Thiruvananthapuram (RCC), is an autonomous institution sponsored jointly by the Government of Kerala and the Government of India. The Centre has been elevated to the status of 'State Cancer Institute' by Government of India. It has the NABH accreditation and thereby became the first Government-owned cancer treatment institution in the country to win NABH tag for quality and safety.

RCC has now taken up construction of a new multi-storied building as part of its infrastructure development. The contract for the construction of this 14 storied building is awarded to M/s Uralungal Labour Contract Cooperative Society (ULCCS) Ltd. They have already started the work and completed the piling works.

Now, we urgently require the service of a Civil Engineer not below the rank of an Executive Engineer with sufficient experience in the construction of multi-storied buildings, on deputation basis.

I shall be grateful to you if you could kindly provide us with details of eligible officers, not below the rank of an Executive Engineer, who are willing to be deputed to the RCC, on usual terms and conditions at the earliest, so that we may be able to proceed further.

Awaiting an early action and thanking you in advance.

Yours faithfully,

DIRECTOR
