### ABSTRACT

Shifting the headquarters of Relay Subdivisions Edarikode and Kasaragod - Sanctioned - Orders issued

### CORPORATE OFFICE(SBU-T)

Office Order (DT&SO)No.E 40/2022(DIRTSO- Thiruvananthapuram, Dated: 12.05.2022  
AEE3/2022/L1466)

Reac: Letter No. CESO/Tech/Protection/2022-23/264 dated 30.04.2022 of the Chief Engineer (Transmission System Operation)

### ORDER

The 110 kV Substation, Malappuram is geographically equidistant from 220 kV Substations - Areacode, Malaparamba and Elankur. Similarly the 110 kV Substation, Kanhangad is geographically equidistant from 220 kV Substations - Ambalathara and Mylatty.

The functioning of the concerned offices in an optimum manner can be ensured if the head quarters of the Relay Subdivision, Edarikode is shifted to the premises of 110 kV Substation Malappuram and that of the Relay Subdivision, Kasaragod is shifted to the premises of 110 kV Substation, Kanhangad, since this would reduce the distance and the time taken by the Relay wing for travel to the stations under their jurisdiction.

Having considered the same, sanction is accorded by the Director (T&SO) to shift the headquarters of the Relay Subdivision, Edarikode to the compound of 110 kV Substation, Malappuram and that of the Relay Subdivision, Kasaragod to the compound of 110 kV Substation, Kanhangad.

Sanction is also accorded for renaming the Relay Subdivision, Edarikode as Relay Subdivision, Malappuram. The Chief Engineer (IT, CR & CAPS) is hereby authorized to make the changes in HRIS with respect to this renaming.
