3. Note No.D(D&IT)/D2/SOP/18-19/0027 dated 29.04.2022 of the Director (Distribution & IT) to the Full Time Directors (Agenda No. 5/5/22).

ORDER

The Deputy Chief Engineer, Electrical Circle, Perumbavoor, as per the letter read as 1st above, has informed that an HT Power requirement application to the extent of 75kVA in favour of Additional District & Sessions Judge, MACT, Muvattupuzha under Electrical Section, Muvattupuzha No. 1 has been received. The proposal is to club the 3 nos. of LT connection in the premises and take a single HT connection for the entire building. The details of 3 LT connections in the premises are as follows:

1. Consumer No. 1155913026073 in favour of MACT Addl District and Sessions Judge;
2. Consumer No.1155917026765 in favour of MACT Additional District and Sessions Court i.e. for MACT Canteen;
3. Consumer No. 1155914026280 in favour of the President, Bar Association.

There are no pending arrears against the consumer numbers listed in 1 and 2 above. But, an arrear amount of ₹59,672/- was pending against the LT connection with consumer No.1155914026280 in favour of the President, Bar Association, Muvattupuzha, listed as 3rd above, at the time of application. They have filed a case before the Hon'ble High Court of Kerala as WP(C) No.13004/15 arguing that they are also part of the Court and hence payment to be made by the Court. An interim stay has been given by the Hon'ble Court directing not to initiate any action upon the disconnection notice until further orders. The case is still pending disposal.

Presently, the Sheristadar has confirmed that they require a single HT connection to the entire premises, which includes the premises where the arrears are outstanding. At present an amount of ₹200615/- (including surcharge) is pending against the consumer No.1155914026280 (Bar Association) as on 27.04.2022 towards the current charge arrear.

The Deputy Chief Engineer, Electrical Circle, Perumbavoor had personally inspected the premises and it was informed that the Court will give a confirmation letter stating that the arrear will be cleared by the Department if the Court Verdict insist so.

As per the remarks of the Senior Law Officer, as per note read as 2nd above, has opined that it is seen that one of the connections in the said premises is having arrears towards current charges and the said matter is pending disposal before the Hon'ble High Court of Kerala in WP(C) No.13004/2015. Considering the said fact, the request of the consumer may be considered affirmatively after obtaining an undertaking from the Sheristadar of the Court that the arrears of electricity charges in consumer No.1155914026280 shall be remitted by the prospective HT consumer concerned in accordance with disposal of the pending writ petition.

The matter was placed before the Full Time Directors as per the note read as 3rd above. Having considered the matter in detail, the Full Time Directors in the meeting held on 07.05.2022 resolved to accord sanction to the Deputy Chief Engineer, Electrical Circle, Perumbavoor to proceed with the request of providing HT Power supply to the extent of 75kVA in favour of Additional District & Sessions Judge, MACT, Muvattupuzha under Electrical Section, Muvattupuzha No.1, after observing all formalities and after obtaining an undertaking from the Sheristadar of the Court that the arrears of electricity charges in consumer No.1155914026280 shall be remitted by the prospective HT consumer concerned in accordance with disposal of the pending writ petition.

Orders are issued accordingly.
